# GET READY TO FEEL **SHEER PLEASURE**

# YOUR PERFECT **SHOWER EXPERIENCE** IS HERE …

# … RIGHT AT **YOUR FINGERTIPS**

Think of a shower. Isn't it simply water droplets falling down? It's hardly rocket science. And yet what GROHE SmartControl does with water has to be felt to be believed. It elevates the simple shower to a whole new shower experience that seems to have been made for you alone.

The intelligence of GROHE SmartControl lets you rediscover the element of water: you can surround yourself with fat, lazy droplets like a summer rain or lend form to the water to massage and soothe away the day. Turn the volume all the way up for a deluge or down to deliver a fine spray. Or choose the right degree of warmth for every water drop. All at the touch of your finger.

# YOU WON'T BELIEVE HOW MUCH **INTELLIGENT CONTROL** IS HIDDEN IN THIS SMART BUTTON

Enjoying a refreshing and personalised shower has never been easier. Just push the button to choose your preferred shower spray and enjoy. Switch whenever you like between a refreshing GROHE PureRain / Rain $O^2$ spray, the new TrioMassage spray to massage your head and shoulders, or simply use the Power & Soul hand shower. Perhaps you'd prefer two sprays at the same time? No problem, just activate both buttons.

And showering with GROHE SmartControl is even smarter … the innovative GROHE SmartControl technology offers spray selection and volume adjustment in one. Turn the GROHE ProGrip handle and alter the volume as you like. Your preferred setting is stored – perfect if you want to pause the shower or till the next time you use it. Smooth and intuitive controls, operated directly from the main shower unit, mean operation is simple and easy for the entire family. Now that's smart.

# PROUDLY PRESENTING: **GROHE SMARTCONTROL EXPOSED**

Designed to make a statement in your bathroom, GROHE SmartControl Exposed combines intuitive control with the ultimate shower pleasure. At the turn of a button, you can choose just the right volume and the ideal temperature. And at the push of a button, you can select the sprays that you wish to enjoy to create your individual shower experience.

GROHE SmartControl Exposed is available in two different versions: Duo with three SmartControl buttons which can, for example, control two head shower jets plus hand shower.

Mono comes with two SmartControl buttons and can control two functions: for instance a one-spray head shower and hand shower.

**START/STOP & VOLUME**

The innovative GROHE SmartControl technology lets you choose your preferred spray pattern – or a combination of spray functions – as well as adjusting the water flow to just the right amount. Nothing could be simpler.

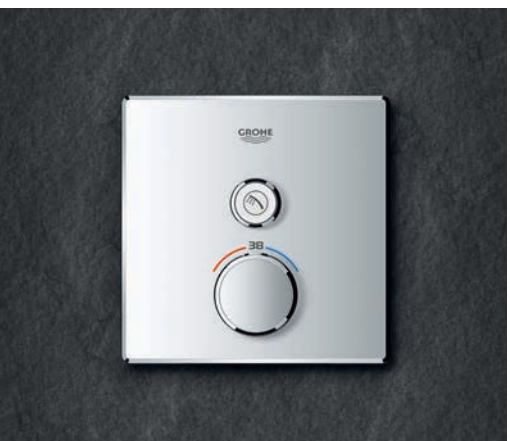

**TEMPERATURE**

GROHE TurboStat technology lies at the heart of this shower system. The thermo-element's unrivalled sensitivity means it delivers water at the desired temperature within a fraction of a second – and keeps it constant for the duration of your shower.

# **THE BEST OF BOTH WORLDS:** GROHE SMARTCONTROL COMBI SHOWER SYSTEM

Flexibility best describes the reason for choosing the GROHE SmartControl combi shower system, which offers a range of different installation options and possible combinations.

This means for example, that you are free to position the thermostat either vertically under the showerhead or, if you choose, away from the central axis – or even on one of the side walls of the shower. Flexibility also extends to the way you can combine the thermostat with other GROHE head, hand or body showers, creating your own personal shower experience. You also have the option of turning your bath into a shower – by combining the SmartControl thermostat with a bathtub inlet and a hand shower.

Like the GROHE SmartControl Exposed, the 'excealed' solution is also available in Duo and Mono versions and also offers shelf space for shampoo and shower gel. With the GROHE SmartControl Combi shower system, the piping runs within the wall, connecting the SmartControl thermostat and the head shower. No shower rod means that cleaning is effortless – just one more of the pleasures you can expect from the GROHE SmartControl Combi shower system.
