OVER 97 YEARS OF PROFESSIONAL EXPERIENCE IN CREATING LIFESTYLE

"For over 9 decades, we've been helping people make more of their homes.

Established in Germany, and now operating worldwide, we specialise in the fittings, hardware and systems that improve the way your home, works. So when you choose our products as part of your new or reformed home, you know you're getting the benefit of extensive knowledge and decades of experience.

And we're still a family business, owned and managed by family members who really care about the products and service we provide. You can rely on our commitment to the highest standards of quality and reliability, founded on a long tradition of German engineering where attention to detail is second nature.

All our home improvement ideas are built to last – day in, day out – we want you to get the very best from every corner of your home, for many years to come."

OUR PRESENCE

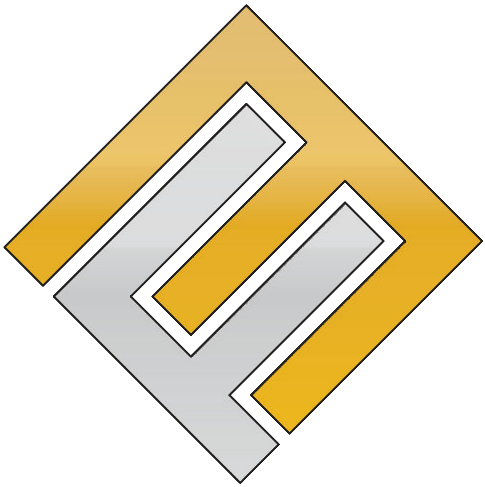

Hafele Worldwide: With its origin in 1923 in a small town named 'Nagold' from the Swabian region of Germany that nurses a passion for hardware technology, it is no surprise that Hafele has lived up to its roots through a successful presence in the architectural and furniture hardware industry for over 9 decades now. Today, Hafele's worldwide penetration includes 38 subsidiaries across Europe, America, Asia, Australia and New Zealand. With these subsidiaries and numerous other sales organisations, Hafele operates in over 150 countries. The Hafele headquarters, 4 manufacturing units and 10 sales offices are located within Germany; while 1 manufacturing unit is located at Budapest, Hungary. The company also owns one of the largest and most sophisticated warehouses in its home country. The Hafele worldwide workforce is empowered by a base of over 8100 employees. The group services over 150,000 customers across the globe through its extensive range of hardware products and a comprehensive logistics system.

Hafele India: Hafele India is a wholly-owned subsidiary of the Hafele Global network and has been operating in India since 2003 under the leadership of Mr. Jürgen Wolf (Managing Director). The ability of the company to understand the diverse Indian market has made it an authority in the field of architectural hardware, furniture and kitchen fittings and accessories. The company also has a strong presence in synergized product categories namely Home Appliances, Furniture Lighting, Sanitary and Surfaces catering to the focused demand from these industries.

Hafele India services its customers with a base of over 1300 employees and has a strong nation-wide presence with offices in Mumbai, Pune, Ahmedabad, Bangalore, Chennai, Hyderabad, Delhi, Kolkata and Cochin. It has full-scale operations in Sri Lanka and Bangladesh with Regional offices and Design Showrooms in both the countries; and has also spread its operations to other regions of South Asia including Nepal, Bhutan and Maldives. It has a well-networked Franchise base of over 130 shops along with over 1000 dealers situated across South Asia. The subsidiary has a sophisticated Logistics centre in Mumbai along with distribution centres in Delhi, Bangalore, Kolkata and Colombo respectively.

HAFELE FM SERIES

Our latest range of appliances - “Hafele FM Series”, is designed for the modern contemporary kitchens in India. These appliances are backed by the excellence of German Design and Engineering, specially adapted for Indian kitchen environments and the unique styles of Indian cooking. FM series appliances follows a simplistic philosophy; highly Functional appliances in Modern designs.

We offer you a wide range of appliances under FM range – Filter-free hoods, for a hassle-free and low maintenance kitchen, heavy duty brass burner hobs equipped with safety features, modern built in ovens and microwaves and designer chimneys that will cater to all your cooking requirements.

Built in Gas Hobs

Cooker Hoods

Oven & Microwave

Built-in & Freestanding Dishwashers

MAGNA PLUS SERIES HOBS
POWER, EFFICIENCY AND DURABILITY

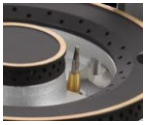

The Magna Plus Series hobs consists of powerful brass burners with different power variations that aid in a faster and efficient cooking experience.

Unlike the conventional hob design the Magna Plus hobs are sleek, easy to handle while cooking and very easy to maintain.

The special design **triple flame brass burners** are extremely powerful with an output of over 4 kW of power.

The **FFSD** (flame failure safety device), on all burners, shuts the gas supply in case the flame goes off accidentally.

The Premium **soft touch knobs** with seamless movement help to control the flame output as per the requirement of the user.

Press and turn the knob and the **auto ignition** will get activated. No need of a lighter to ignite the hob.

The **SPCD Steel drip tray** avoids spillage and is very easy to clean.

The Contemporary **flat metal pan support** design allows better stability.

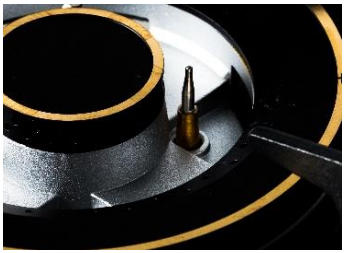

ONE BIG STEP TOWARDS SAFETY

The FFSD activates the moment the gas burner flame goes off and automatically cuts off the gas supply to the burners thus preventing any instance of gas leakage. The result – your kitchen and home is safe from any kind of gas leakage accidents.

Once the thermocouple comes in contact with heat (generated through the lit flame) it controls the gas valve through the FFSD valve and the coil, which in turn compresses the spring within the valve and generates gas supply.

In case the flame goes off accidentally, the thermocouple cools down and releases the spring within the FFSD valve, there by cutting off the gas supply to the burner. This process secures your appliance and kitchen environment from any gas leakage.

DISHWASHERS

FEATURES

Active Clean Technology:
The Hafele Dishwashers delivers a hygienic wash capable of eliminating 99.9% germs and bacteria. The high temperature (70°C) inside the dishwasher accompanied with the water pressure removes all the sticky residue, bacteria and germs.

Steel for a Stainless wash!:
Complete marine grade Stainless Steel inner drum for long lasting performance

Quieter Wash Cycles:
The sound reducing material, massive insulation, quality of components and the science of hydraulics integrated within the Dishwashers ensure silent washing and drying cycles. 49dBA noise level at max. is what you can expect from a Hafele dishwasher.

Height Adjustable Rack:
The Adjustable racking system can make way for crockeries of different shapes and sizes.

No More Wet Utensils:
Hafele Dishwashers offer the feature of integrated fan assisted drying with the wash cycles.

Delayed Start Program:
Don't want your dishes to be washed and kept in the dishwasher for a long time before you arrive home? The delayed start function helps you to set the time at which you want your washing to begin. You can choose to delay the time of the wash program by 3/6/9 hours accordingly.

PROGRAMS

Intensive
Designed for highly soiled wash loads, such as pots, plates and woks.
Cycle: Pre-wash (50°C) - Wash (60°C) - 3x Rinse (70°C) - Dry

Normal
For high-medium soiled utensils. Ideal for daily wash of a load of utensils used for regular cooking
Cycle: Pre-wash (45°C) - Wash (55°C) - 2x Rinse (65°C) - Dry

90mins Wash
For medium soiled mixed loads that do not need excellent drying efficiency.
Cycle: Wash (65°C) - 2x Rinse (65°C) - Dry

ECO:
Most economical washing program for medium soiled daily dishes that are kept waiting.
Cycle: Wash (45°C) - Rinse (65°C) - Dry

Rapid 30
Suitable for lightly soiled daily dishes that are scraped or pre-cleaned.
Cycle: Wash (45°C) - Rinse (55°C)

Glass
For delicate glassware like bowls, plates, wine glasses etc.
Cycle: Pre-wash (30°C) - Wash (40°C) - 2x Rinse (60°C) - Dry
