The cosmopolitan aesthetic of Lineare is minimal yet highly inviting. In keeping with the concept of minimalism, Lineare has been reduced to only the necessary elements to achieve the thinnest possible appearance. The line is based on a composition of two simple geometric structures – cylindrical bodies and thin rectangular forms of the handle and spout create beautiful harmonious compositions.

EUROPLUS

CONTEMPORARY AESTHETICS AND SUPERIOR ERGONOMICS

The timeless design of the new Europlus balances a contemporary aesthetic with superior ergonomics. A versatile and great value faucet, it brings comfort and clarity to the bathroom environment. Finished with a parabolic detail and set at an incline of seven degrees, the lever handle features Grohe SilkMove® technology for comfortable and precise water control. The enduring aesthetic appeal ensures that every detail has been carefully considered, from the coordinated lift-rod to the tapering spout, all accentuated by Grohe StarLight® technology – our pristine chrome finish or brushed nickel InfinityFinish™.

TRUE SQUARE DESIGN

For a sharp, tailored look in your bathroom, choose Eurocube®. Here is a design so cleverly engineered that we are able to offer an extensive choice of faucets featuring a perfectly square design for the lavatory, shower and bath. Across the range, cut-out detailing on the lever handles reduces the perceived volume of each piece while highlighting the minimalist appeal of the collection.

ENJOY GREATER COMFORT

Timeless and durable. GROHE Eurosmart combines reliable quality with high-end luxury in a great product that is always being improved. The newly developed cartridge technology, which gives the housing an even more beautiful shape, is one of many innovations.

New Features

The new Eurosmart range has been improved both inside and out, from its streamlined modern design to its state-of-the-art internal technology. We gave the tap a new BlueCore interior, the seal of excellence for GROHE engineering. The new 35 mm GROHE SilkMove® cartridge with integrated temperature limiter is now used for washbasin, kitchen, bath and shower mixers. Eurosmart remains the smart, best-value choice for bathroom projects large and small.
